

RSC_CARS1 操作指南

1、使用非校园 IP 地址打开浏览器，输入 <https://pubs.rsc.org/>

2、选“Find My Institution” “Select Your Institution’s Group” “China CERNET Federation”

Home Publishing ChemSpider Education Community News More... Search

Log in via your home Institution

Log in to your Royal Society of Chemistry account using your home institution's login credentials.

Please choose the relevant group for your institution

Select your institution's group

(If you previously used the Athens service to log in, please select "OpenAthens Federation" from the dropdown menu)

Or View all institutions

Log in via your home institution (Shibboleth)

- Your username and password have been provided to you by your librarian.
- If you would like to log in using another method than Shibboleth, please return to the previous page, and select one of our other login options

3、选择自己的学校，比如“Qingdao University”

Nanjing University
Nanjing University of Aeronautics ar
Nanjing University of Science and Ti
Nanjing University of Science and Ti
Nankai University
Nantong University
Nanyang Institute of Technology
Ningbo University
Ningbo University of Technology
Ningxia University
North China University of Water Res
North Minzu University
Northeast Agricultural University
Northeast Forestry University
Northeast Normal University
Northeastern University
Northeastern University - China
Northwest A and F University
Northwest Minzu University
Northwest University - China
Northwestern Polytechnical Univer
Ocean University of China
Ocean University of China
Peking University
Peking University
Pingxiang University
Qingdao University
Qinghai Normal University
Qinghai University
Qufu Normal University

4、登录到自己的学校后，输入学校的账号和密码。

The screenshot shows the login interface for the Qingdao University Identity Authentication System. At the top left is the university's logo and name in Chinese and English. The main heading is '明德 博学 守正 出奇' (Mingde, Boxue, Shouzheng, Chiqi). Below this is a navigation bar with '设为首页' and '加入收藏'. The central part of the page features a large background image of a modern building. Overlaid on this is a white login box titled '用户登录' (User Login). The box contains fields for '用户名' (Username) with a placeholder '输入学号' (Enter student ID) and '密码' (Password). There are checkboxes for '一周内免登录' (No login for one week) and a link for '忘记密码?' (Forgot password?). A blue '登录' (Login) button is at the bottom of the box. Below the button are options for '用以下方式登录' (Login with the following methods) and '使用微信账号登录' (Login with WeChat account). At the bottom left, there is a '登录提示' (Login提示) box with three bullet points: '建议浏览器: IE9/10/11, Edge, 谷歌, 360兼容模式' (Suggest browser: IE9/10/11, Edge, Google, 360 compatible mode), '用户名: 学生为学号, 教工为工号' (Username: student ID for students, staff ID for staff), and '密码: 初始登录密码统一为身份证号10位' (Password: initial login password is unified as 10-digit ID card number). The footer contains 'Copyright © 2017 青岛大学'.

5、登录成功后，就显示可以访问 RSC 资源

🔔 **Access to RSC content** ✕

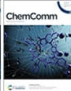

Continue to access RSC content when you are not at your institution. Follow our [step-by-step guide](#).

About our publications

The Royal Society of Chemistry publishes 46 peer-reviewed journals, around 2,000 book titles and a collection of online databases and literature updating services.

Our international publishing portfolio covers the core chemical sciences including related fields such as biology, biophysics, energy and environment, engineering, materials, medicine and physics. As a not-for-profit publisher, we reinvest surplus funds back into the global scientific community, supporting our mission to advance excellence in the chemical sciences.

Open access

We provide authors with the option to make their article gold open access
